

Geography Key skills

Year 1

My school, grounds, and immediate area

The UK

A non-European locality

Using maps and atlases	To recognise England on a map
	To identify their home town on a map of the UK
	To understand which areas of the map represent land and which represent sea
	To respond to simple questions about places
	To know the names of some countries of the world
	To know some countries are surrounded by water and some are not
	To talk about how the weather conditions in a place are similar or different
Map skills	I use language such as left, right, up and down to describe where things are
	To use the language of near or far away to describe places
	To recognise my school on an aerial photograph
	To recognise my school on a plan view
	To read a simple map with pictorial key
Studying localities	To recognise the physical/natural and human/made features of places
	To say how two places are like or unlike
	To talk about features of the immediate environment
	To talk about how environments may differ from one another
	To discuss what the weather is like today
	To say some of the ways that land is used in my school
Geographical vocabulary	Near, far, left, right, up, down, man-made, natural, map, land
