'One school, learning together'

05 October 2016

Dear Parent / Carer

Cycling To and From School

In order to help promote cycle safety, we are tightening up the procedures for children who wish to cycle to school.

If your child (and you agree!) would like to cycle to school, please complete the form below. We will then keep a daily register of who is cycling to school so that we can ensure that everyone has permission.

An important part of this is also that your child has a cycle helmet. A recent study concluded that of the people who had attended hospital after a cycling accident over 75% prevented serious head injuries because they were wearing a helmet.

Can you also please remind your child that we do not allow cycling in the playground. The reason for this, simply, is that we have lots of toddlers, prams, buggies etc and we want to avoid a collision!

Thank you for your support.

Yours sincerely

Richard Culham
Head Teacher

Cycling to School

Child's Name:

Class:

I give permission for my child to cycle to and from school.

I understand that whilst at school the school will not accept any liability for the bike (we also recommend that you provide a lock for the bike and keep the spare key at home!).

I confirm that my child will wear a cycle helmet when riding their bike to and from school.

Signed:
